RUGS DESCRIPTION

Rug Number	N-7025
Title	Simplicity Comfort Erwin Silver Beige
Size	10ft 00in X 14ft 00in 3m 4cm X 4m 26cm

Description:

We call this our Simplicity Line but a closer look reveals that it is not so simple. Yes we have eliminated borders yes the pattern is infinite yes it is purely geometric. But no it is not a simple creation at all. These area rugs are ideal living room rugs or indoor rugs in general. A hand loomed viscose blend of variable medium height pile. Available in standard sizes and colors or can be custom made.
