

RUGS DESCRIPTION

Rug Number 4445

Title Swedish Grid

Size 2ft 00in X 3ft 00in
0m 60cm X 0m 91cm

Description:

This Swedish style rug is suitable for indoor or outdoor use, in your house or outdoors on your patio or deck etc. The rug is made using P.E.T which is recycled materials to create a polyester that has a soft almost wool like feel that can be difficult to differentiate from the real thing. It truly is a 'green option'
