

## RUGS DESCRIPTION

---

**Rug Number** 4445

**Title** Swedish Grid

**Size** 2ft 00in X 3ft 00in  
0m 60cm X 0m 91cm

**Description:**

This Swedish style rug is suitable for indoor or outdoor use, in your house or outdoors on your patio or deck etc. The rug is made using P.E.T which is recycled materials to create a polyester that has a soft almost wool like feel that can be difficult to differentiate from the real thing. It truly is a 'green option'
