Description:

Turkish circa 1950's. This is a fine example of an overdyed patchwork area rug. These rugs demonstrate a process best described as 'The modern palette applied to classics'. It consists of an added step to the finishing process in which the rug is antique washed, sheared, and finally hand dyed in a full immersion bath of a chosen color. The effect is quite stunning, adding a vibrant overcast to the whole rug and blending seamlessly with the prior dyes. Condition excellent rug has deliberately been cut low to create the look. Colors: black/reddish browns/browns
