**Title** Antique Persian  
Kerman Rug

**Size** 11ft 00in X 16ft  
08in  
3m 35cm X 5m  
7cm

**Description:**

Kirman rugs, the most imaginative of all antique Persian urban rugs. Kirman city is the seat of Kirman province in SE Persia and is situated about 2000 feet in elevation. Weaving has been carried out continuously since about 1600 with a semi-hiatus in the later 18th century. The 19th century revival was strong and the antique Persian rugs from there enjoy a considerable reputation.
