

RUGS DESCRIPTION

Rug Number CU-1462

Title Antique Distressed Sultanabad Rug

Size 6ft 10in X 10ft 04in
2m 8cm X 3m 14cm

Description:

A distressed carpet is not an abused one, but one that has been artfully recreated to follow current decorating style trends. The term distressed describes a rug where areas of the rug show the warp and has or is low all over. However the rug has a solid foundation and will stand up to the rigors of normal daily use.
