**Rug Number** CU-1643

**Title** Antique Caucasian  
Kuba Shirvan Rug

**Size** 3ft 06in X 5ft 06in  
1m 6cm X 1m 67cm

**Description:**

Antique Caucasian Kuba Shirvan Rug These types of antique Caucasian rugs were woven in the eastern part of the region, mostly along the west coast of the Caspian Sea. They display intricate designs, often in prayer (niche) formats; shorter, often velvety piles; complex color palettes; and relatively fine weaves. Their design complexity rivals the best antique Persian tribal rugs. Colors: navy/ivory/gold/teal/brick/blues.
