

## RUGS DESCRIPTION

---

<b>Rug Number</b>	CU-953
<b>Title</b>	Vintage Caucasian Kazak Rug
<b>Size</b>	5ft 01in X 8ft 09in 1m 54cm X 2m 66cm

### **Description:**

A one direction rug whose attractively abrashed red field displays colorful leaf-like forms gently floating toward one end of the field. The sky blue is particularly engaging. The leaves form no rigid color array and the randomness adds to the charm. Whichever direction is up to you. The rustic charm is evident from either direction. Parenthetically, room size Caucasian rugs are quite uncommon.
