Title Vintage
Spanish Rug

Size 5ft 00in X 7ft
04in
1m 52cm X 2m
23cm

Description:

One does not think of Spain and rugs, however weaving has been a part of Spanish culture for hundreds of years going back to when Spain was part of the Islamic world. This particular rug is from much later around the 1940's and is a lovely example with a wonderful open field with floral design enclosed by a border continuing the theme.
