

## RUGS DESCRIPTION

---

**Rug Number** N-3374

**Title** Simplicity Chic  
Collection Aqua-Silver  
Contemporary Area  
Rugs

**Size** 6ft 10in X 10ft 00in  
2m 8cm X 3m 4cm

**Description:**

We call this our "Simplicity" Line, but a closer look reveals that it is not so simple. Yes, we have eliminated borders, yes the pattern is infinite, yes it is purely geometric. But no, it is not a simple creation at all. These area rugs are ideal living room rugs or indoor rugs in general. A hand loomed viscose blend of variable medium height pile. Available in standard sizes and colors or can be custom made.
