**Description:**

The Organic collection has a simple casual elegance with its directness, lack of fussiness and stripped-down palette working with most decor. We call this our Organic Line because from sheep to rug, all the processes are organic and natural. The nature and look of these rugs are timeless and work well in most settings. These area rugs are hand woven wool and cotton rugs, ideal living room rugs or indoor rugs in general. Available in standard sizes and colors or can be custom made.
