Description:

Simplicity Chic Ivory Gray Modern Area Rugs 8' x 10'. We call this our “Simplicity” Line, but a closer look reveals that it is not so simple. Yes, we have eliminated borders, yes the pattern is infinite, yes it is purely geometric. But no, it is not a simple creation at all. These area rugs are ideal living room rugs or indoor rugs in general. A hand loomed viscose blend of variable medium height pile. Available in standard sizes and colors or can be custom made.
