00in

Size 2m 74cm X

3m 65cm

Description:

This rug is suitable for indoor or outdoor use, in your house or outdoors on your patio or deck etc. The rug is made using P.E.T which is recycled materials to create a polyester that has a soft almost wool like feel that can be difficult to differentiate from the real thing. It truly is a 'green option'. Can be custom made to size. Main color is light gray.
