

RUGS DESCRIPTION

Rug Number Q435

Title Antique Persian
Feraghan Rug

Size 7ft 09in X 11ft
03in
2m 36cm X 3m
42cm

Description:

Fereghan in west Persia came to prominence in the 18th century under the rule of Shah Nadir who exerted an influence on its weaving and production. The carpets from this area were prized even at this time. The patterns derive from the weavers of Herat who settled here in the early 19th century adding colour and harmony.
