Description:

Antique French Needlepoint Panel – Circa 1910 Dimensions: 5'9" x 12'8" A striking testament to early 20th-century French textile artistry, this antique needlepoint panel, dating circa 1910, features a harmonious series of repeating floral motifs, elegantly arranged within a structured geometric pattern. The craftsmanship speaks to the era's refined aesthetic—each stitch placed with care, each design evoking timeless elegance. This substantial panel would make a magnificent wall hanging, screen, or decorative accent in a classic or eclectic interior. The palette remains rich and inviting, bearing the subtle character and patina expected of a well-preserved textile over a century old. A rare find, both in scale and detail—ideal for collectors or designers with a deep appreciation for European decorative arts.
