Description:

Vintage Turkish Tulu Rug 4' x 6'7". Tulu's originate in central Anatolia handmade in the Konya area with a thick weave and long pile. The shiny wool and length of the pile make these rugs exceptionally lustrous. The look has a contemporary feeling, and these rugs are suitable in any room settings. Tulu's are minimalist, archetypal folk art, and work well on the wall as modern or even Art Deco hangings. The unevenly hand cut wooly pile is a great contrast to hard edged current décor.
