Description:

Antique Oversize Subdued Persian Malayer Runner 3'4 x 27'7. A lovely oversize hand-knotted antique Malayer runner, dating to circa 1900. This striking piece features the unmistakable charm of abrash—a natural variation in color resulting from the use of different dye lots. Far from a flaw, this beautiful tonal shift adds depth, movement, and a unique character to the rug. Woven by skilled artisans more than a century ago, its craftsmanship and quiet elegance speak to a bygone era where every thread told a story. .
