**Description:**

Antique Subdued Turkish Shabby Chic Sivas Rug Runner 2'10 x 10'5. This lovely rug is lightly distressed / shabby chic with low pile that adds to the patina and beauty of this hand woven Turkish rug. colors: oatmeal/taupe. Sivas in eastern Anatolia is best known for interpretations in light tones of Persian, especially Tabriz, designs. The pile is usually low and the weaves are medium fine. They are decorative in the best sense, but are actually quite hard to find.
