Description:

Antique German Hooked Rug Runner 3'1 x 12'2. A rare and unusual antique German hooked rug, inspired by the classic motifs of traditional Indian Agra carpets. Rendered in a soft watermelon field accented with delicate blues and muted greens, this piece blends Old World craftsmanship with Eastern design influences. Hooked rugs from Germany are seldom encountered, making this a unique find for collectors and connoisseurs of textile history. A charming and decorative piece with character, suitable for both formal and eclectic interiors.
