**Description:**

This rug has an Abrash which is a natural change in color that occurs when different dyes are used in a batch of wool and gives uniqueness and extra beauty to the rug. Even today, Oushak rugs are still the first choice of professional interior designers. Sometimes this is because when grading Oushak carpets, carpet connoisseurs will not only look at the overall quality of materials and textures, but also attach great importance to the overall beauty of the carpet. Light colored Oushaks are among the most popular oriental carpets, known for the high quality of their wool, their beautiful patterns and warm colors. These designer favorites will complement any interior. Colors: brick red/pale blues/golds/gray.
