Description:

Now this luxurious rug is not only a collectible, but also so fashionable! Traditional Heriz area rugs are skillfully woven in vibrant colors and gorgeous geometric designs. The Heriz district of NW Persia has been weaving carpets for over a century, with geometric designs and tonalities ranging from mellow to saturated. Medallion layouts on these beautiful rugs are by far the most common, but semi-stylized versions of classic all-over Persian patterns are also a part of this amazing rug. Blues range from navy to powder and reds go from tomato to buff. The foundation is cotton and the knots are always symmetric (Turkish). This Heriz has a character all its own and will become a natural focal point for a living room, bedroom, basically any room! Colors: ivory/brick/blue/greens/soft rose/taupe
