### **Description:**

These attractive rugs are suitable for a wide variety of places, but the significant effect of Oushaks is that they bring space together, making it cozy and warm. The artistic technique of weaving Oushak's knots allows you to create a unique carpet. Antique & Vintage Oushak rugs are typically roughly woven on a woolen backing with a woolen pile, so the sense of luxury helps bring out the vibrant colors, further enhancing the beauty of vintage Oushak rugs. The rug itself is perfectly designed with symmetrical patterns that add depth and beauty. Colors: pale faded terracotta/ivory/taupe/gray-green.
