**Description:**

Antique Persian Heriz Serapi Rug 11'4 x 18'5. As perpetually fashionable as they are collectible, traditional Heriz luxury handmade rugs are skillfully woven in vibrant colors and emphatic geometric designs. Serapi carpets are a quality designation for Heriz pieces of a firmer weave, shorter pile and finer quality. There is no village of Serapi among the thirty-odd towns in the Heriz weaving district. The simplicity and striking character of these carpets, along with their basic two-dimensional flat patterning and primary colors has made them almost like room sized Kazaks and they have always been popular in the company of Caucasian scatter rugs. The overall tonality of this highly decorative carpet instead verges on the neutral and as a result it works in almost any furnishing context. This carpet enhances both formal and more rustic decorative schemes, and it works especially well in contemporary settings.
