**Description:**

Antique Distressed Persian Kerman Rug 11'10 x 18'4. A fine Kerman Garden Design Rug. The intricate field divided into rows of nine individual designs within their own frame which are repeated within the overall pattern. There are several borders surrounding the central field also with sophisticated patterns and helps complete the whole feeling of style coupled with refined elegance. The work in both the design and weaving is quite remarkable and this truly is a work of art.
